**Donations Made From One Bank to Another**

DUARTE - Employees from the Duarte branch of AmericanWest Bank presented the Cory's Kitchen food bank staff with $899 and 404 food items - the results of their monthly food drive.

"Employees teamed up with our customers and local businesses all month long in order to make this donation a reality," said Kathy May, Duarte Branch Service & Solutions Manager. "Making this gift to Cory's Kitchen from our annual food drive is one of the great benefits of working at a community bank that truly cares about what's impacting residents and takes action to be a part of the solution."

The drive at the Duarte Branch was part of AmericanWest Bank's company-wide food drive through the month of May to assist local food banks with their shelves before children are out of school for summer vacation. Overall, AmericanWest Bank branches in Southern California donated more than $4,500 and hundreds of pounds of food to area food banks.

"Just last year, Cory's Kitchen assisted more than 65,000 individuals to put food on the table for their families," said Kathy May. "We are continuing to do what we do best."
