Former West Covina Mayor, Kathy Howard Passes

By George Ogden
WEST COVINA - Former West Covina Mayor and City Council member, 1997-2001, Kathy Howard passed away Wednesday, January 8. She was 76 years old and was fighting pneumonia and ended up with a blood infection which may have contributed to her passing. Kathy Howard was the second female mayor for the City of West Covina with Nancy Manners being the first. She and her husband, Ray Howard, had two children. They have been residents of West Covina for almost 50 years.

She is also believed to be the first female West Covina Police Officer working as a part-time reserve officer. She helped create Safety Town to teach children safety on the streets. She had been involved in local politics for years and at times bumped heads with people including some council members, while she was on the council.

Later in life, she was dealing with some health issues with her back which slowed her down, but she still remained involved with community issues.

She will be missed by many and the next city council meeting will be adjourned in her honor.

By Joan Hallidy
GLENDORA - The Glendora Woman's Club entered Glendora’s recent Christmas Parade with an entry that featured three vintage autos. The first car, a red 1962 MGA, carried Club President Carolyn Cunningham and was driven by her husband, Andy Shepherd. The second car, a blue 1957 MGA, was driven by her husband, Wally McIntosh. The third car, a silver Mercedes convertible that was driven by Cheryl Clark, carried club members Joy Martau, Betty Vera, and Connie Hallberg.

The parade banner, carried by club members Chris Christenson and Linda Price, spotlighted the club’s more than 100 years of service to Glendora.

The Glendora Woman's Club has a long history of involvement and service in the City of Glendora. Organized in 1908, the club is one of the oldest, active service organizations in Glendora, and one that maintains its own clubhouse. The Club has the distinction of being the founder of the Glendora Public Library in 1912.
