#### PUBLIC HEARING MEETING LOCATION AND DATE

The City of Glendora is requesting public review and comment on its Community Development Block Grant (CDBG) Program Annual Action Plan for FY 2017-2018. The draft report was available for a 30-day review period from March 23, 2017 through April 21, 2017. The Glendora City Council conducted a public hearing to review the draft plan at 7:00 P.M., at its March 28, 2017 City Council meeting. A second public hearing will be held on April 25, 2017 to approve submittal of the Plans to the U.S. Department of Housing and Urban Development (HUD).

In compliance with the American with Disabilities Act, if you need special assistance to participate in the meeting, please contact the City of Glendora's City Clerk's Office at (626) 914-8210. Notification 48 hours prior to the April 25, 2017 City Council meeting will enable the City to make reasonable arrangements to ensure accessibility to the meeting.

#### **BACKGROUND**

Consolidated Plan: Every five years, the CDBG program requires the City to adopt a "Consolidated Plan," which establishes the goals and objectives of the City's CDBG program. During the development of this FY 2013-2018 Consolidated Plan, which forms the basis for establishing objectives and outcomes in the Strategic Plan and five (5) subsequent Annual Action Plans, the following priority needs and objectives were established:

- Affordable Housing: Promote, preserve, and assist in the development of affordable housing for low- and moderate-income residents, specia needs groups, those at- risk of homelessness, and disproportionately impacted residents.
- Fair Housing: Promote fair and equal housing choice for all persons, promote housing that is accessible to and usable by persons with disabilities, and comply with the non-discrimination requirements of the various Fair Housing laws.
- Infrastructure and Public Facilities: Improve and expand infrastructure and public facilities that benefit low- and moderate-income neighborhoods
- Economic and Human Development: Provide for the economic development needs of low- and moderate- income persons and neighborhood
- Administration and Planning: Provide for administration and planning activities to develop housing and community development strategies and programs needed to carry out actions that address identified needs in the Consolidated Plan.

These established Priority Needs form the basis for allocating investments geographically within the jurisdiction during the five-year period and are a result of various community outreach efforts and consultation meetings developed under the Citizen Participation process.

Only eligible activities that received a High priority level in the FY 2013-2018 Consolidated Plan, will be funded during the five year period

Glendora anticipates an allocation of \$251,468 of CDBG funds in fiscal year 2017-2018. In addition, approximately \$75,000 of program income will be available. The Glendora City Council will approve the final plan after the 30-day comment period at the April 25, 2017 meeting for the adoption of the Plan. This funding may be allocated to the following types of eligible projects:

Annual Action Plan: The Annual Action Plan is part of the Five-Year Consolidated Plan and serves as the City's application for funding from HUD. The City of

- Acquisition: by purchase, long-term lease, and donation of real property for an eligible public purpose
- **Disposition:** of real property acquired under the CDBG Program.
- Construction and Rehabilitation: of certain publicly owned facilities, such as (a) senior citizen centers; (b) parks and playgrounds; (c) community centers; (d) fire protection facilities and equipment; (e) sidewalks and street improvements; (f) water and sewer systems.
- Rehabilitation of publicly and privately owned housing: for low-and moderate-income households.
- Public Services: which are new or expanding, and directed toward meeting employment, crime prevention, child care, drug abuse prevention, homeless assistance, or other community service needs. 6. Removal of Architectural Barriers: that restricts the mobility and accessibility of elderly or handicapped persons to publicly owned and privately
- owned buildings, facilities, and improvements.
- Special Economic Development Activities: that provide grants, loan guarantees and other forms of necessary or appropriate support to private for profit" businesses to provide increasing employment opportunities and other public benefit.

While funding amounts are somewhat flexible, there are statutory limitations that restrict the amount of funding for Planning and Administration costs to not more than 20 percent of the annual grant allocation and limit public services to 15 percent of the annual grant allocation. The final allocations will be determined once HUD releases their budget.

Based on the limited amount of resources available to the City, statutory restrictions, and the Priority Needs determined to have a high priority level, staff recommendations for the 2017-2018 CDBG One-Year Annual Action Plan are as follows

**ACTIVITY AMOUNT** General CDBG Administration \$35,293 Fair Housing \$15,000 Administration and Fair Housing Sub-Total -\$50,293 Street Improvements Project \$251 175 Business Assistance Program \$25.000

Infrastructure and Economic Development Sub-Total - \$276,175

Total CDBG Budget for Fiscal Year 2017-2018 - \$326,468
