#### CITY OF COVINA NOTICE OF PUBLIC HEARING CONDITIONAL USE PERMIT (CUP) 17-003 and SITE PLAN REVIEW (SPR) 17-009

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Covina will conduct a PUBLIC HEARING in the City Hall Council Chamber, 125 East College Street, Covina, on Tuesday, May 9, 2017 at 7:00 p.m., to consider the following item:

Conditional Use Permit (CUP) 17-003 and Site Plan Review (SPR) 17-009, the proposed Covina Popeye's Project (project) would involve the development of two fast food drivethrough restaurant totaling 5,036 square feet where Popeye's will occupy one pad and the other pad is for a future fast food restaurant, and the development of two speculative retail buildings totaling 5,900 square feet on a currently vacant 1,66-acre site located at 525 South Citrus Avenue in the City of Covina (APN: 8444-022-011).. The project reviews include the building elevations of the two retail buildings and the fast food drive-through pad for Popeye's. total of 157 parking stalls would be provided on the project site. Access to the site would be from an existing driveway off South Citrus Avenue, which currently provides access to the commercial uses south of the project site. This driveway would be shared by the project site and the commercial uses to the south.

The project site and the properties to the north, east, and south are zoned C-4 (Highway Commercial) and have a General Plan land use designation of General Commercial. Properties to the west are zoned R-1-7,500 (single-family, 7,500 square foot minimum lot size) and have a General Plan land use designation of low density residential (City of Covina 2000, 2007).

Pursuant to and in accordance with the provisions of the California Environmental Quality Act (CEQA) Guidelines, the City has analyzed the proposed project and a Notice of Exemption has been prepared for the project analyzing its potential impact on traffic, noise, air quality, and water quality. The project is considered in-fill development because it is surrounded on all sides by existing development (to the north, east, and south are commercial uses and to the west are residential neighborhoods). Per the study, the number of trips expected to be generated by the proposed restaurant and retail uses were compared to City and County criteria for determining the significance of the project. No significant impacts were identified. The traffic study also examined the potential for the drive-thru facilities to cause queuing issues at the entrance/exit of the project site or the adjacent roadway. The analysis found that direct queueing into the main driveway or South Citrus Avenue would not occur under normal operating conditions. Therefore, it has been determined that the proposed project would be categorically exempt in accordance with Section 15332 - In-Fill Development Projects (Class 32) of the CEQA Guidelines. Staff's recommendation will be that the Planning Commission approve CUP 17-003 and SPR 17-009 (subject to the proposed conditions of approval).

We solicit any information and/or data that any citizen wishes to input concerning these applications. All interested citizens are invited to attend the PUBLIC HEARING, where all opinions may be expressed.

If you challenge the proposed actions in court, you may be limited to raising only those issues that you or someone else raised at the PUBLIC HEARING described in this notice or in written correspondence delivered to the City Clerk or to the Planning Commission at or prior to the PUBLIC HEARING.

Further information may be obtained from the City of Covina Community Development Department, Planning Division at (626) 384-5450.

### May is Motorcycle Safety Month: Riders **Urged to Get Trained and Ride Safe**

**MONTEREY PARK** - The Monterey Park Police Department is joining law enforcement statewide and across the United States in National Motorcycle Safety Awareness Month special enforcement operations. In addition, the California Motorcyclist Safety Program is offering special, low cost rider training classes during the month of May.

Monterey Park PD will be conducting a specialized motorcycle safety enforcement operation on May 4, 2017 in an effort to lower deaths and injuries. Extra officers will be patrolling areas frequented by motorcyclists and where motorcycle crashes occur. Officers will be looking for violations made by drivers and riders alike that can lead to motorcycle crashes. They will be cracking down on those operating regular vehicles and motorcyclists who are under the influence of drugs or alcohol, speeding, making illegal turns, or any other dangerous violation.

The California Motorcyclist Safety Program (CMSP) training program is offering a "Total Control Refresher Training" course during the month of

May. This four-hour riding class is for experienced riders with a current motorcycle license. Riders will use their own street-legal motorcycle during the class taught by CMSP-certified Instructors at a cost of only \$95. Log onto the CMSP website (http://cmsp.msi5.com) to register at a location near

Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration. The message to all drivers and motorcyclists is, share in the responsibility and do your part by safely sharing
