Baldwin Park's Concerts In The Park

BALDWIN PARK - "Concerts in the Park is a free family outing for the community to enjoy. We bring them a large variety of music genres, and Baldwin Park is recognized around the San Gabriel Valley for its long-standing and highly-anticipated summer concert series," said April Rojo, program coordinator with the Department of Recreation and Community Services, which organizes the annual summer concerts series.

This year's concerts lineup is reflective of the community's top choices, according to organizers. As the concerts continue into August, guests will flash back to the '70s classic rock n' roll musical era with a tribute to the Beatles and the Rolling Stones before the series wraps up with a Led Zeppelin tribute band.

Concerts in the Park will be held every Thursday from 7 p.m. to 9 p.m. in Morgan Park's Cesar E. Chavez Amphitheatre. Subsequent concerts for the series are as fol-

July 20 - Mariachi Espectac-

July 27 - Little Willie G., Voice of Thee Midniters

August 3 - Beatles vs Stones, Tribute to Beatles and Rolling Stones

August 10 - Led Zepagain, Led Zeppelin Tribute

Organizers said the live entertainment series, which continues through August 10, is a prime opportunity for local residents and visitors to unwind, dance the night away, and spend time among the commu-

"Our concerts are filled with entertainment for the entire family! We have a variety of vendors and comfortable amphitheater setting. The community can enjoy free concerts and giveaway prizes," said Rojo. She also noted that several community groups are slated to lead demonstrations or presentations for the guests during the concert intermissions.

The comfortable amphitheater setting is designed for concert audiences to enjoy the live band performances, and guests are encouraged to bring a lawn chair or blanket for more comfortable seating during the con-

Rojo added that the live entertainment series will be complemented by Baldwin Park's Downtown Street Market, from 5 p.m. to 9 p.m. Thursdays, at Morgan Park. A variety of vendors will provide all the ingredients for a fun summer night during this outdoor event. Guests can enjoy specialties from food and artisan vendors, a special beer garden and street-market produce fa-

When the concert series ends on August 10, the Downtown Street Market will continue with additional entertainment along Maine Avenue (between Ramona Boulevard and Palm Street) from August 17 through September 21, also from 5 p.m. to 9 p.m.

Camping? Make Sure to Travel a Well-Lit Path

Whether your escape to nature involves a day of hiking, tenting overnight or RVing, a little planning will go a long way in making your experience enjoyable.

You know, of course, to bring graham crackers and marshmallows, but your light source can make or break your trip.

Most of us are used to seeing streetlights and headlights at night -- it's easy to forget how dark it gets in the woods. Every camper should carry a flashlight. You will also need a larger light that provides enough illumination to work by. Most people associate propane lanterns with the great outdoors, but these lanterns aren't necessarily the best option. Propane lanterns can be noisy and cannot be used in tents or campers, and you will need to pack and carry fuel. Because propane lanterns produce heat, they are a burn hazard.

LED worklights provide a safer and easier option. One light, the Might-D-Light (www.might-d-light.com), proves especially useful, as its hinge can be moved to create either a large spray of light or directional lighting for close work. The Might-D-Light, which can attach to most metal surfaces with its rare earth magnets, hang from a hook or stand upright, is hands-free, so

LED worklights provide a safe and convenient alternative to propane lanterns.

you can use it while performing tasks that require both hands, such as setting up a tent after dark or striking matches. The Might-D-Light can be recharged with an AC/DC adapter, so as long as you drive to your campsite, you won't have to carry batteries or fuel.

How can the Might-D-Light make your trip more enjoyable? It lends itself to a variety of situations, including:

* Any activity that takes place in your tent or camper. Need to grab a sweater from your pack? With the Might-D-Lite, you won't have to fumble with a flashlight or create a potential fire hazard by taking your propane lamp indoors.

* Playing games. Unless you plan on going to bed as soon as the sun sets, you'll want to

bring games to play after dark. With a hands-free folding light, you'll have no trouble dealing cards or besting everyone at slapjack.

* Keeping cool. LED lights don't emit heat, so using the Might-D-Lite won't create a sweltering campsite.

* Hiking. The Might-D-Light folds for compact storage and is far more durable than a propane lantern, making it ideal for backcountry trips.

* Around pets and children. With an LED light, you don't have to worry about spilled fuel or burns. (NewsUSA)
