BACKGROUND

Consolidated Plan: Every five years, the CDBG program requires the City to adopt a "Consolidated Plan," which establishes the goals and objectives of the City's CDBG program. During the development of this FY 2013-2018 Consolidated Plan, which forms the basis for establishing objectives and outcomes in the Strategic Plan and five (5) subsequent Annual Action Plans, the following priority needs and objectives were established:

- Affordable Housing: Promote, preserve, and assist in the development of affordable housing for low- and moderate-income residents, special needs groups, those at- risk of homelessness, and disproportionately impacted residents.
- Fair Housing: Promote fair and equal housing choice for all persons, promote housing that is accessible to and usable by persons with disabilities, and comply with the non-discrimination requirements of the various Fair Housing laws.
- Infrastructure and Public Facilities: Improve and expand infrastructure and public facilities that benefit low- and moderate-income neighborhoods
- 4. Economic and Human Development: Provide for the economic development needs of low- and moderate- income persons and neighborhood Administration and Planning: Provide for administration and planning activities to develop housing and community development strategies and
- programs needed to carry out actions that address identified needs in the Consolidated Plan.

These established Priority Needs form the basis for allocating investments geographically within the jurisdiction during the next five-year period and are a result of various community outreach efforts and consultation meetings developed under the Citizen Participation process.

Only eligible activities that received a High priority level in the FY 2013-2018 Consolidated Plan, will be funded during the next five years.

Annual Action Plan: The Annual Action Plan is part of the Five-Year Consolidated Plan and serves as the City's application for funding from HUD. The City of Glendora anticipates an allocation of \$251,468 of CDBG funds in fiscal year 2017-2018. In addition, approximately \$75,000 of program income is estimated to be available. The Glendora City Council will approve the final plan after the 30-day comment period at the April 25, 2017 meeting for the adoption of the Plan. This funding may be allocated to the following types of eligible projects:

- Acquisition: by purchase, long-term lease, and donation of real property for an eligible public purpose.
- Disposition: of real property acquired under the CDBG Program.
- Construction and Rehabilitation: of certain publicly owned facilities, such as (a) senior citizen centers; (b) parks and playgrounds; (c) community centers; (d) fire protection facilities and equipment; (e) sidewalks and street improvements; (f) water and sewer systems.
- Rehabilitation of publicly and privately owned housing: for low-and moderate-income households.
- Public Services: which are new or expanding, and directed toward meeting employment, crime prevention, child care, drug abuse prevention, homeless assistance, or other community service needs.
- Removal of Architectural Barriers: that restricts the mobility and accessibility of elderly or handicapped persons to publicly owned and privately owned buildings, facilities, and improvements.
- Special Economic Development Activities: that provide grants, loan guarantees and other forms of necessary or appropriate support to private "for profit" businesses to provide increasing employment opportunities and other public benefit.
