San Gabriel Unified Receives **National Recognition for Elementary School Music Immersion Program**

Elementary School joins 1 percent of schools across the United States to earn a 2017 SupportMusic Merit Award for bolstering young learners' education with comprehensive music instruction that complements core curriculum.

The National Association of Music Merchants (NAMM) Foundation recognized Roosevelt's Music Immersion Experience (MIE) program, which ensures access to music instruction to all of its students for free.

"Over the course of the year, we've watched our students become more confident in their abilities and engaged in the classroom because of their involvement in MIE," MIE Coordinator Samantha Theisen said. "We're forever thankful to the District for its support of MIE and hon-

> San Gabriel Unified School District piloted the MIE program in 2015-16 among transitional kindergarten through third-grade students after bring inspired by Northwestern University research that discovered a positive link between music education and lifelong academic success. The program extended classes to include all Roosevelt students at the start of the 2016-17 school

"We believe music is a vital component of a well-rounded education and are thrilled to offer our students a comprehensive music immersion program aligned with core national education standards," SGUSD Superintendent Dr. John Pappalardo said. "Congratulations to the teachers and staff who contributed to our award-winning music

The MIE program includes weekly classroom sessions that engage students in musical projects related to their studies in addition to after-school fundamental and elective music classes taught by trained music educators. Roosevelt fourthgraders recently performed a musical about the California Gold Rush as a complement to the California history curriculum.

"Congratulations to our students for demonstrating the benefits of music education every day and the impressive staff and faculty at Roosevelt who brought the vision for this comprehensive program to life," SGUSD Board President Andrew Ammon said. "This award is well deserved and we hope it be the first of many for the Music Immersion Experience program."

Citrus College Named Military Friendly School for Seventh Consecutive Year

Designation reflects efforts to recruit, serve military students

GLENDORA -Citrus College has been named a Military Friendly® School for 2017. This is the seventh consecutive year the college has earned this recognition. The Military Friendly® School designation by GI. Jobs, a monthly magazine published by media company Victory Media, is awarded to the top colleges, universities, community colleges and trade schools in the country that are doing the most to embrace military students and ensure their success in the class-

"I am proud to be a part of Citrus College's welcoming community of students, faculty and staff who are here to support our service members," said Dr. Geraldine M. Perri, superintendent/president of Citrus College. "This designation of a Military Friendly® School is a testament to the dedicated support and assistance available at the college to members of the military transitioning to student life."

The college's Veterans Success Center serves approximately 500 veterans annually. "We are honored to be recognized for the work we do for our students who have served, or who are currently in service to our country," said Dr. Monica Christianson, director of the Veterans Success Center. "These men and women make a valuable contribution to our college community every day."

Located in a 3,700 squarefoot facility that offers computers, quiet rooms for studying and a garden for veterans to maintain and grow food, the Veterans Success Center services include mental health management, academic counseling and financial assistance. Charles Henderson, a student veteran and former member of the United States Marine Corps, emphasized the important role of veterans support services on campus. "I'm grateful that Citrus College has the Veterans Success Center. Since I first stepped on campus

and sat down with Monica, the center has helped me tremendously. I am glad that we have these services when we need direction and assistance."

Student veteran Albert Fuentes, former United States Army soldier, added that the Veteran Success Center is a comfortable place that allows student veterans to study in a stress-free environment. "It's like my second home; the people who work here are fantastic."

Citrus College recently collaborated with the U.S. Department of Veterans Affairs (VA) to provide medical exams, screenings and follow-ups for student veterans on campus. The partnership marked the first time the VA offered telehealth services on a California college campus. "This type of service saves the student veterans many hours of commuting and wait times, making the Veteran Success Center a true one stop shop," Christianson

Monrovia Unified Schools Named to 2016 Honor Roll for Academic Achievement

Unified high school and elementary school were named this week to the Campaign for Business & Education Excellence (CBEE) 2016 Honor Roll, which highlights higher-performing schools that narrow achievement gaps between student popula-

Monrovia High and Mayflower Elementary were honored as Star Schools, a title that signifies academic improvement in schools with a significant population of socioeconomically disadvantaged students.

At both schools, Hispanic and socioeconomically disadvantaged students raised their performance on state standardized tests in English language arts (ELA); Mayflower Elementary English learners boosted ELA scores by 16 percent. Both

MONROVIA – A Monrovia Monrovia Unified schools also outperformed schools with similar demographics for English language arts and math for multiple student subgroups.

> "We are very proud to have Monrovia High school and Mayflower Elementary school join the ranks of the CBEE Honor Roll program," Monrovia Unified Board President Bryan Wong said. "In keeping with the Honor Roll's parameters, we hope to have even more schools receive the same honor next year and to continue our District's upward trend in academic achievement."

> The Honor Roll is created for CBEE by the Educational Results Partnership (ERP), which analyzes 12 measures taken from California Department of Education data, including performance on state math, English language

arts and science standardized tests.

ERP looks at equity among students with differing ethnic backgrounds and socioeconomic statuses. Additionally, high schools are judged on the percent of graduates who meet UC/CSU entrance course requirements, average SAT scores, percent of passing Advanced Placement exams, graduation rate and dropout

This recognition by the CBEE is yet another accolade validating the thoughtful approach Monrovia's educators have been taking in teaching our students," Monrovia Unified Superintendent Dr. Katherine Thorossian said. "Monrovia Unified works tirelessly to provide students with a safe and nurturing learning environment. The success of our students is our success."

Baldwin Park Middle School to Unveil STEM Lab Transformation

District converts 1950s classroom into 21st century learning space

BALDWIN PARK – Baldwin Park Unified's Holland Middle School will hold a grand-opening celebration at 1 p.m. Friday, May 5 for two science, technology, engineering and math (STEM) labs that will provide technologyrich learning environments for students pursuing specialized courses in engineering, robotics, forensic medicine and aeronau-

The transformation, executed over the last seven months, replaces a pair of 1950s classrooms with collaborationfriendly labs with reconfigurable workspaces, 3D printers and VEX robotics kits.

"It's a stunning difference," Superintendent Froilan N. Mendoza said. "We took static rooms mired in the past and completely reimagined them for 21st century learning. We are providing an extraordinary shift in opportunity for our students."

One of the labs contains 16 lab-style tables and the other 18. They share 27 VEX robotics kits and six 3D printers. Each room can accommodate about 36 students. They also contain systems that link projectors with interactive, touch-sensitive white boards that can be used to broadcast lesson videos and allow students to make notes directly on the screens.

Holland – which has a STEM focus – is already using the rooms for courses in engineering design and modeling, as well as automation and robotics with curriculum designed by Project Lead The Way, the nation's leader in developing STEM courses. In 2017-18, courses will be added on flight and space, forensic medicine, and App Design. The rooms will also serve as home for the school's robotics competition team.

Visitors will also be able to tour the classrooms.

SECTION 3. Section 5.23 of the Glendora Municipal Code is hereby amended with added text shown underlined and deleted text shown stricken through as follows:

Chapter 5.23 MEDICAL MARIJUANA DISPENSARIES 5.23.010 Findings.

The city council adopts this Chapter 5.23, Section 21.03.110 of this code and the definition for "medical marijuana dispensary" set forth under Section 21.01.020(C) of this code based on the testimony, reports and/or other supporting materials presented to the city council during the first and/or second reading of the ordinance adopting those provisions. The city council also makes the following findings in support of its decision to adopt this Chapter 5.23, Section 21.03.110 of this code and the definition for "medical-marijuana dispensary" set forth under Section 21.01.020(C).

- The voters of the state of California approved Proposition 215 (codified as Health and Safety Code Section 11362.5 et seq., and entitled "The Compassionate Use Act of 1996").
- (b) The intent of Proposition 215 was to enable persons who are in need of marijuana for medical purposes to be able to obtain and use marijuana without fear of state criminal prosecution under limited, specified circumstances.
- The California legislature enacted S.B. 420 in the year 2004 in an effort to clarify the scope of the Compassionate Use (c) Act of 1996 and to assist cities and other governing bodies in the adopting and enforcement of rules and regulations
- Neither Proposition 215 nor S.B. 420 expressly authorize "medical marijuana dispensaries" as defined under this (d)
- (e) The Federal Controlled Substances Act, 21 U.S.C. Section 841, makes it unlawful to manufacture, distribute, dispense or possess marijuana.
- The United States Supreme Court in Gonzales v. Raich (2005) 125 S.Ct. 2195, ruled that the Controlled Substances Act (f) applies even in states such as California which have medical marijuana laws. In March of 2007, the Ninth Circuit Court of appeals, in revisiting the Raich matter on remand from the United States Supreme Court's 2005 decision, found that the use of medical marijuana was not a fundamental right protected under the Fifth and Ninth Amendments of the United States Constitution.
 - Accordingly, medical marijuana dispensaries are illegal under federal law.
- The illegality of medical marijuana dispensaries under federal law notwithstanding, such operations also generate serious negative secondary impacts which unduly burden the communities in which they are located; threaten public peace; and otherwise undermine efforts to safeguard the health, safety and welfare of the public at large. These negative secondary impacts outweigh whatever medical benefits may reasonably be attributed to the use of marijuana by the limited number of patients who reside in Glendora residents: (1) who are legitimately prescribed marijuana under legitimate circumstances by bona fide physicians; and (2) who might actually patronize such an establishments. The negative secondary impacts referenced above include burglaries, robberies, violence, increased vandalism, (i)
- illegal sales of marijuana to, and use of marijuana by, minors and other persons without medical need in the areas immediately surrounding such medical marijuana dispensaries. (Ord. 1903 § 1, 2008) The voters of the state of California approved Proposition 64 allowing the personal use of marijuana and marijuana
- products by persons over the age of 21 (codified as amendments, repeals and additions to section of the State of California Business and Professions Code, Food and Agriculture Code, Health and Safety Code, Labor Code, Revenue and Taxation Code and Water Code. Section and entitled "The Adult Use of Marijuana Act").

ORDINANCE 2015

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF GLENDORA, CALIFORNIA AMENDING Title 21 (Zoning) OF THE GLENDORA MUNICIPAL CODE for consistency with state law PERTAINING TO ACCESSORY DWELLING UNITS (pln17-0003)

THE CITY COUNCIL

City of Glendora, California THE CITY COUNCIL OF THE CITY OF GLENDORA DOES HEREBY ORDAIN AS FOLLOWS:

WHEREAS, the City intends to remove governmental constraints to the development of housing for all segments of the market by periodic review and update of the City's regulations to ensure that housing construction is not unduly constrained (Glendora General Plan - Housing Element Policy 4.1);

WHEREAS, the City of Glendora initiates amendments to the Zoning Code (Title 21) to remove impediments and obstructions to the development of housing and revise code sections that conflict with State law, specifically the provisions pertaining to accessory dwelling units;

WHEREAS, effective January 1, 2017, Assembly Bill 2299 and Senate Bill 1069 amended California Government Code Sections 65852.1 and 65852.2 requiring local agencies to adopt an ordinance that complies with specific standards for accessory dwelling units, including parking reductions and reduced setback requirements;

WHEREAS, the Planning Commission of the City of Glendora held a public hearing and voted to recommend approval of the Zoning Code text amendments on March 7, 2017 after due notice was given as required by law, at which time oral and documentary

evidence was introduced along with the written recommendation of the Planning Director; and WHEREAS, a public hearing was held by the City Council on April 11, 2017, after due notice was given as required by law, at which time oral and documentary evidence was introduced along with the written recommendation of the Planning Commission

and Planning Director of the City of Glendora NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF GLENDORA, CALIFORNIA, DOES RESOLVE, DECLARE, DETERMINE AND ORDER AS FOLLOWS:

SECTION 1. The City Council finds that the adoption of this Ordinance is not subject to environmental review under the California Environmental Quality Act (CEQA) because the revisions to the Municipal Code are an activity that will not result in a direct or reasonably foreseeable indirect physical change in the environment.
