#### CITY OF COVINA **NOTICE OF PUBLIC HEARING** DEVELOPMENT AGREEMENT AMENDMENT

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Covina will conduct a PUBLIC HEARING in the City Hall Council Chamber, 125 East College Street, Covina, on Tuesday, December 12, 2017 at 7:00 p.m., to consider the following

Development Agreement amendment (DA) 17-001, a request for a 20-year term extension of the current statuary Development Agreement (DA) between Masonic Homes of California and the City of Covina, an update to the 2008 Site Plan to reflect changes approved in 2016 and to include new phasing projections, for property generally located at 1650 Old Badillo Street and within the RD-8,500/PCD Residential (Multiple-Family)/Planned Community Development Zone. APN: 8426-012-012 through 8426-012-015.

Pursuant to and in accordance with the provisions of the California Environmental Quality Act (CEQA) Guidelines, the City has analyzed the proposed project and concluded that an Addendum to the adopted Mitigated Negative Declaration (MND) could be prepared. State CEQA Guidelines (Sections 15162 and 15164) provide that an Addendum to an adopted MND may be prepared if none of the conditions triggering a subsequent Negative Declaration are present. Based on a full analysis of the term extension to the Development Agreement and the updated phasing projections, as compared to the original Project, the modifications do not change the nature of the environmental impacts associated with the project, which remain the same as levels described in the adopted 2008 MND and 2016 Addendum and none of CEQA Guideline 15162's criteria is triggered. Thus, a subsequent or supplemental environmental document is NOT required to be prepared. In particular, there have been no:

- Substantial changes proposed for the Project that will require major revision of a previous Negative Declaration due to the involvement of new, significant environmental effects or a substantial increase in the severity of previous identified effects:
- Substantial changes with respect to the circumstances under which the Project is undertaken, requiring major revision to a previous Negative Declaration due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified ones;
- New information of substantial importance that was not known or could not have been known without the exercise of reasonable diligence at the time the previous MND was adopted that shows any of the following:
  - The Project will have one or more significant effects not discussed in the previous MND: Significant effects previously examined will be substantially more severe than
  - disclosed in the previous MND; Mitigation measures or alternatives previously found not to be feasible would in
  - fact be feasible and would substantially reduce one or more significant effects of the Project, but the Project proponents decline to adopt them.

We solicit any information and/or data that any citizen wishes to input concerning these applications. All interested citizens are invited to attend the PUBLIC HEARING, where all opinions may be expressed.

If you challenge the proposed actions in court, you may be limited to raising only those issues that you or someone else raised at the PUBLIC HEARING described in this notice or in written correspondence delivered to the City Clerk or to the Planning Commission at or prior to the PUBLIC HEARING.

Further information may be obtained from the City of Covina Community Development Department, Planning Division at (626) 384-5450.
