Glendora Relay For Life Annual Kickoff and Survivor Luncheon

GLENDORA - Mark your calendar for the Glendora Relay For Life Annual Kickoff and Survivor Luncheon on Saturday, February 25th from 11am - 1pm. at the Bidwell Forum located on the second floor of the Glendora Public Library at 140 S. Glendora Avenue. There will be light refreshments and a fun takeaway activity.

Relay For Life is an event that raises much needed funds for the American Cancer Society to further research on detection and cures for all cancers.

Since 1946 ACS has funded 47

Nobel Laureate researchers who have discovered life saving cancer treatments as well as preventative cares. In addition, they provide supportive programs for patients and their families.

According to recent statistics from ACS "More than 15.5 million Americans with a history of cancer were alive on January 1, 2016. "While this is wonderful news to the cancer community the work is not done. In fact it is predicted by ACS that 1,688,780 new cases will be detected this year.

The Glendora community has been instrumental in raising a significant amount of money over the years and we pledge to continue, but we need your help. This events as well as other events we have planned; Bark for Life, Paint the Town Purple and the Relay for Life Event are an amazing opportunity for citizens to come together and honor those in our community who have and continue to battle cancer.

Azusa Pacific University Theater Department Presents New Works Play Festival, New Plays By Students

AZUSA - Azusa Pacific University (APU) Theatre department is pleased to present Four original one acts written by APU Students.

The New Works Festival creates an opportunity for the development of new plays by supporting aspiring playwrights. It is a series of one-act plays promoting new writing, directing, and performing talents. Each play has been developed through coursework, workshop readings, and production. Playwrights have collaborated with guest directors, guest designers, faculty, actors, and student dramaturgs throughout the process. Students will submit these one acts to compete in the prestigious Kennedy Center/American College Theater Festival.

According to Director, Dr. Rachel Tracie, "APU Theater's New Works Play Festival is a festival which presents new plays by APU students. The playwrights are able to develop their plays through the rehearsal process with a cast of actors and faculty directors and make revisions and edits. Even the performance is a part of the process, where the

playwrights will use the final production as another opportunity to refine their play after seeing it in performance. The audience becomes a vital part of the process - their reactions and engagement gives the playwright valuable information about what is working and what still needs to be refined.

We have four plays by student playwrights - each deals with different styles and subject matter, but all have at their core the idea of belonging and the ways in which individuals manipulate and shift their own identities to navigate through their circumstances and environment to find a sense of belonging." Dr Tracie will direct two of the one acts.

The one acts include, In Loving Memory written by student Natalie Perret, The Elephant in the Room by student Dylan Ruder, Verses from the Fray by student Hayden Royster and Painted Blind by student Anna Lund. Guest Director, Jeremy Lewis, will direct the other two one acts and has this to say about the Festival, "workshopping a new play is an important and necessary aspect of the developmental pro-

cess, and for many young playwrights it can be years before a theater is willing to provide them that opportunity. The New Works Festival here at APU is an amazing opportunity for the students and as a director, I am honored to help make each new play a reality."

Purchasing tickets in advance is highly recommended as this production is set in the intimate 76- seat-Black Box Theater. The facility is located on the West Campus in the Mary Hill Center. Free parking is available.

The plays and musicals are produced through a program of rigorous training. The Department of Theater Arts prepares outstanding, innovative, and influential artists in an ever-growing and multi-faceted performing arts profession.

The New Works Play Festival will be presented on the West Campus of Azusa Pacific University, **March 1 -5** at 7:30 PM plus matinees at 2PM on March 4 & 5. Tickets are \$15 and \$10 for Seniors, students and Alumni. To purchase tickets, visit apu.edu/theater or call 626/815-5494.

Arcadia High School Recognized as One of Best Public High Schools in California

ARCADIA - With tax season underway, everyone is busy crunching the numbers. Niche, an influential school and neighborhood review website, has been busy calculating data of its own. According to Niche's 2017 Best Public High Schools in California, Arcadia High School is among the top 2 percent of the best public high schools in the

With more than 1,300 public high schools in California, landing the number 30 spot on Niche's list is no small feat. According to Niche, it performs a comprehensive data analysis on information collected from the U.S. Department of Education and from millions of reviews from students and parents to arrive at its rankings. Arcadia High has moved up five spots from its number 35 ranking last year to 30 on this year's list.

"When you consider how many quality public high schools there are throughout the state, this is really impressive. I'm very proud of our students, teachers, staff, and parents who all work tirelessly to make our schools among the best in the country," said Arcadia Unified School District Board of Education Vice President Fenton Eng.

In addition to its stellar Niche ranking, Arcadia High has been named a U.S. News and World

Report Gold Medal School three times. This is an honor bestowed on less than 3 percent of the more than 19,000 schools in the country. Similarly, the College Board placed Arcadia Unified School District (AUSD) on its 7th Annual AP® District Honor Roll. Only 22 districts in California were placed on this honor roll, with AUSD being recognized for its impressive Advanced Placement and Honors curriculum.

Arcadia High's 2016 graduating class had a student accepted into every Ivy League school in the country this fall. There are currently several Arcadia High School alums attending Harvard, Princeton, and the other prestigious Ivy League schools. Arcadia High's academics, however, are just one factor leading to its elevated ranking. All of its fall 2017 sports teams qualified for the CIF playoffs, with Arcadia High Girls Tennis winning a CIF championship title in Doubles a year after both the Girls and Boys tennis teams won CIF titles.

Adding another "A" to the academics and athletics for Arca-

dia is its storied arts program. The Arcadia High School Marching Band was selected once again this year to participate in the prestigious Rose Parade. This was the 16th time the Apaches have marched in the Rose Parade, serving as the crescendo of a season filled with countless field show competition victories. Arcadia High also showcased two Rose Princesses on this year's Rose Parade Royal Court.

The home of the Apaches also has a unique offering of more than 60 academic teams and clubs for its students. These highly successful clubs include the Academic Decathlon, History Bowl, Math Team, Ocean Science Bowl, Quiz Bowl, Physics Team, Science Bowl, Science Olympiad, Constitution Team, Robotics Team, and Speech and Debate, to name a few. The Constitution team recently qualified for its third consecutive trip to compete in Washington D.C. at the national championships.

Also just announced, 25 Arcadia High School students were named National Merit Scholarship finalists.

NOTICE OF HEARING

Notice is hereby given that the Glendora Planning Commission will conduct a public hearing pursuant to Sections 21.01.030(E) and 21.01.050 of the Glendora Municipal Code in the City Council Chambers at 116 East Foothill Boulevard, Glendora, California

Hearing Date: Case Number: Tuesday, March 7, 2017 at 7:00 p.m. Zoning Code Amendment – Accessory Dwelling Units (PLN17-0003)

Application Request:

The proposed text amendments to Glendora's Zoning Code are prompted by passage of the following legislative bills dealing with accessory dwelling units (ADUs) and 'iunior' accessory dwelling units: Senate Bill 1069 (Wieckowski), Assembly Bill 2299 (Bloom), and Assembly Bill 2406 (Thurmond). The SB 1069 and AB 2299 enable the construction of accessory dwelling units by eliminating parking requirements for accessory units and including alternate ways to replace required parking. The bills allow reduced setbacks and separation requirements for ADUs. AB 2406 added provisions allowing existing space within a residence to be converted to a 'junior' accessory dwelling unit, which the City is not implementing at this time. The revisions to the Zoning Code are necessary to comply with State law.

Subject Property: Residentially Zoned Properties - Citywide City of Glendora Applicant: Environmental:

The project is covered by the general rule that the California Environmental Quality Act (CEQA) applies to projects which have the potential for causing significant effect on the environment. It can be seen with certainty that the revisions to the Zoning Code have no potential for resulting in physical change to the environment, directly or indirectly; therefore, the activity is not subject to CEQA (CEQA Guidelines sec. 15061(b)(3)).

`Just Google It' Is More Than A Saying In Duarte USD

DUARTE - More than 200 educators will converge on Duarte High School and Northview Intermediate Schools Feb. 25-**26** to enhance their skills with the technology applications offered by Google.

The teachers, about half from Duarte schools and the other half from other districts in the San Gabriel Valley, will spend two free days of their own time attending the Google Summit to enhance their teaching skills and methods through technology.

The Summit, one of many such events held around the country but a first for the San Gabriel Valley, focuses on how educators, administrators and students can take technology to a new level. Instead of being just a tool for the classroom, technology is now becoming a platform to drive learning in the modern educational arena.

Duarte Unified School District, under the guidance of Superintendent Allan Mucerino, has pledged to form a district of 21st Century Learners learning from highly motivated 21st Century Teachers, using the tools now available through technology.

"This educational summit, in partnership with the EdTech Team, will help our teachers embrace the options now offered through Google," said Dr. Mucerino. "This is a great tribute to our district, and our staff, that so many of them are willing to participate in professional development on two weekend days."

Duarte USD's commitment started with the district commitment to fund the tuition for each of the educators who volunteered to attend the event. Additionally, Duarte High School Principal Mark Sims is funding the tuition for 15 students who will become technology change agents and help guide their peers in using the

Duarte High School teacher Joe Kenney was one of the driving forces for taking the district's use of technology to a new level, and will be among the class leaders at the Summit. In preparation for this event, Kenney attended a similar event at Google's headquarters in Mountain View, CA.

"I was able to see top-notch presenters offering their knowledge of Google and other cloudbased platforms to equally motivated teachers and came away inspired with the prospects for our Summit," said Kenney.

Think Global - Act Google Duarte's commitment to technology goes back to decisions made by the Board of Education and placed in motion in recent years by Dr. Mucerino, including a decision that every student will have access to computers, tablets and other devices. The district's management team has also committed resources to having bandwidth and Wi-Fi capability for a technology based district.

Teachers will come away from the seminar with the ability to take the tools available through the Google Suite and turn them into lessons for all levels of stu-

An example might be a worldhistory class focusing on the Great Wall of China, with students using Google Earth to create interactive maps and projects showing the structure.

"Our education professionals will come away with a better understanding of the technology available to them and should be able to see the way these platforms will drive learning in the 21st Century classroom," summed up Dr. Mucerino.
