NOTICE INVITING BIDS FOR

ROYCOVE RESERVOIR TANK PAINTING [the "Project"]

NOTICE IS HEREBY GIVEN that the City of Covina, California ("City") invites sealed Bids for the Project. The City will receive such Bids in the office of the City Clerk located at City Hall, 125 E. College Street, Covina, California 91723-2199 up to 3:00 p.m. on January 17, 2019, at which time they will be publicly opened and read aloud.

INCORPORATION OF STANDARD SPECIFICATIONS

The 2018 edition of "Standard Specifications for Public Works Construction" ("Standard Specifications") as amended by the Contract Documents, is incorporated into the Contract Documents by reference.

SCOPE OF WORK

The Project includes, without limitation, furnishing all necessary labor, materials, equipment and other incidental and appurtenant Work necessary to satisfactorily complete the construction of the Roycove Reservoir Tank Painting Project, as more specifically described in the Contract Documents. This Work will be performed in strict conformance with the Contract Documents, permits from regulatory agencies with jurisdiction, and applicable regulations. The quantity of Work to be performed and materials to be furnished are approximations only, being given as a basis for the comparison of Bids. Actual quantities of Work to be performed may vary at the discretion of the City Engineer.

OBTAINING BID DOCUMENTS

Potential Bidders may also obtain the Contract Documents for the Project at the Engineering counter located at Covina City Hall, 125 E. College Street, Covina, California 91723-2199 for a non-refundable fee of \$60 per set, or \$65 per set if mailed. The City must receive payment before the Contract Documents will be provided.

REGISTRATION WITH THE DEPARTMENT OF INDUSTRIAL RELATIONS

In accordance with Labor Code Sections 1725.5 and 1771.1, no contractor or subcontractor shall be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, unless currently registered and qualified to perform public work pursuant to Section 1725.5 [with limited exceptions for bid purposes only under Labor Code Section 1771.1(a)].

TRENCHING

If the Project involves the construction of a pipeline, sewer, sewage disposal system, boring and jacking pits, or similar trenches or open excavations, which are five (5) feet or deeper, then each Bidder must submit, as a Bid item, adequate sheeting, shoring, and bracing, or an equivalent method, for the protection of life or limb, which shall conform to applicable safety orders. This final submission must be accepted by the City in advance of excavation and must include a detailed plan showing the design of shoring, bracing, sloping, or other provisions to be made for worker protection from the hazard of caving ground during the excavation Work. If such plan varies from the shoring system standards, the plan shall be prepared by a registered civil or structural engineer.

PREVAILING WAGES

In accordance with Labor Code Section 1770 et seq., the Project is a "public work". The successful Bidder (Contractor) and any Subcontractors shall pay wages in accordance with the determination of the Director of the Department of Industrial Relations ("DIR") regarding the prevailing rate of per diem wages. Copies of those rates are on file with the Director of Public Works, and are available to any interested party upon request. The Contractor shall post a copy of the DIR's determination of the prevailing rate of per diem wages at each job site. This Project is subject to compliance monitoring and enforcement by the DIR.

BONDS

Each Bid must be accompanied by a cash deposit, cashier's check, certified check or Bidder's Bond issued by a Surety insurer, made payable to the City and in an amount not less than ten percent (10%) of the total Bid submitted. Personal or company checks are not acceptable. Upon Contract award, the Contractor shall provide faithful performance and payment Bonds, each in a sum equal to the Contract Price. Before acceptance of the Project, the Contractor shall submit a warranty or maintenance Bond that is valid for one year from acceptance, in the amount of fifty percent (50%) of the Contract Price; in lieu of that Bond, the Contractor may submit proof from the Surety that the performance Bond has been extended for the appropriate duration of time. All Bonds must be issued by a California admitted Surety insurer using the forms set forth in the Contract Documents, or in any other form approved by the City Attorney. Failure to enter into the Contract with the City, including the submission of all required Bonds and insurance coverages, within fifteen (15) Days after the date of the mailing of written notice of contract award to the Bidder, shall subject the Bid security to forfeiture to the extent provided by law.

INSURANCE AND WARRANTY

The Contractor shall provide insurance in accordance with Section 7-3 of the General Provisions. In addition, the Contractor shall guarantee and warranty all Work against defective workmanship and materials furnished by the Contractor for a period of one (1) year from the date the Work was completed and accepted by the City.

LICENSES

Each Bidder shall possess a valid Class A or C-33 Contractor's license issued by the California State Contractors License Board at the time of the Bid submission, unless this Project has any federal funding, in which case the Contractor must possess such a license at the time of the Contract award. The successful Contractor must also possess a current City business license.

RETENTION SUBSTITUTION

Five percent (5%) of any progress payment will be withheld as retention. In accordance with Public Contract Code Section 22300, and at the request and expense of the Contractor, securities equivalent to the amount withheld may be deposited with the City or with a State or federally chartered bank as escrow agent, which shall then pay such moneys to the Contractor. Upon satisfactory completion of the Project, the securities shall be returned to the Contractor. Alternatively, the Contractor may request that the City make payments of earned retentions directly to an escrow agent at the Contractor's expense. No such substitutions shall be accepted until all related documents are approved by the City Attorney.

LIQUIDATED DAMAGES

NOTICE OF PETITION TO ADMINISTER ESTATE (Probate - Decedents' Estates)

NOTICE OF PETITION TO ADMINISTER ESTATE OF MARIA HERNANDEZ CASE NO. 18STPB1UU90

ESTATE OF: MARIA HERNANDEZ

To all heirs, beneficiaries, creditors, and contingent creditors and persons who may be otherwise interested in the will or estate, or both, of MARIA HERNANDEZ.

A PETITION FOR PROBATE has been filed by ESMERALDA HERNANDEZ in the Superior Court of California, County of LOS ANGELES. The Petition for Probate requests that ESMERALDA HERNANDEZ be appointed as personal representative to administer the estate of the decedent.

The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or have consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority. A hearing on the petition will be held in this court as follows: FEBRUARY 1, 2019 at 8:30 AM in Dept. 4 at the SUPERIOR COURT OF CALIFORNIA, COUNTY OF LOS ANGELES, 111 NORTH HILL STREET, LOS ANGELES, CA 90012, STANLEY MOSK CCH.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney

IF YOU ARE A CREDITOR or a CONTINGENT CREDITOR OF THE DECEDENT, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

You may examine the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of the estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.
