The Wall That Heals Is Coming To San DimasOn March 22 Through March 25

Vietnam Veterans Memorial Replica Wall and Mobile Education Center spreads healing legacy of The Wall and educates about the impact of the Vietnam War

WASHINGTON, D.C. -

The Wall That Heals, a replica of the Vietnam Veterans Memorial, along with a mobile Education Center, is coming to San Dimas, California on March 22 through March 25, 2018 at Lone Hill Middle School, 700 S. Lone Hill, San Dimas and will be open 24 hours a day and free to the public. The Wall That Heals honors the more than three million Americans who served in the U.S. Armed forces in the Vietnam War and it bears the names of the more than 58,000 men and women who made the ultimate sacrifice in Vietnam.

The Vietnam Veterans Memorial is one of the most visited memorials in our nation's capital, with more than 5.3 million visitors each year. However, many Americans have not been able to visit what has become known to many as "The Wall." The Vietnam Veterans Memorial Fund (VVMF), the organization that built The Wall in 1982, wants to give all veterans and their family members across America an opportunity to see the Memorial.

"VVMF is pleased to bring The Wall That Heals mobile exhibit to San Dimas to allow local veterans and their family

members a chance to visit The Wall and honor and remember those who have served and sacrificed," said Jim Knotts, president and CEO of VVMF. "We hope it provides an opportunity for healing and an educational experience for the whole community on the impact of the Vietnam War on

More than 250,000 people visited The Wall That Heals in 2016. Since its debut in 1996, the exhibit has been on display in nearly 500 U.S. communities in addition to an April 1999 tour of the Four Provinces of Ireland and a visit to Canada in 2005. Hosting The Wall That Heals provides a community with a multi-day experience that includes an educational experience for local schools and organizations on the history of the Vietnam era and The Wall. The exhibit includes The Wall replica and a mobile Education Center comprised of: digital displays of photos of service members whose names are on The Wall; letters and memorabilia representative of items left at The Wall in D.C.; a map of Vietnam and a chronological overview of the Vietnam War. The exhibits tell the story of the Vietnam War, The Wall and the era surrounding the conflict, and are designed to put American experiences in Vietnam in a historical and cultural context.

VVMF coordinates local stops of The Wall That Heals and the accompanying mobile Education Center. The current schedule and more information he found www.thewallthatheals.org. The 2018 national The Wall That Heals tour is hauled through a partnership with the **Truckload Carriers Association** (TCA) and the trucking industry and generously sponsored by USAA. Local sponsors are

About the half-scale replica The replica Wall is approximately 250 feet in length, and like the original Memorial is erected in a chevron-shape. The replica is constructed of powder-coated aluminum, supported by an aluminum frame, and is made up of 24 individual panels, each containing six columns of names.

The names on The Wall That Heals replicate the names on The Wall in Washington, D.C. As on The Wall, the names are listed alphabetically by day of casualty. Beginning at the center/apex, the names start on the East Wall (righthand side) working their way

out to the end of that wing, picking up again at the far end of the West Wall (left-hand side) and working their way back in to the center/apex. Thus, the beginning and ending of the conflict are joined at the center, signifying an epoch in American history.

The Wall That Heals is transported from community to community by a trailer with cases built into its sides, allowing it to serve as a mobile Education Center that tells the story of the Vietnam War, The Wall and the divisive era in American history.

About VVMF and the Edu-

cation Center at The Wall

The Vietnam Veterans Memorial Fund (VVMF) is the nonprofit organization that built the Vietnam Veterans Memorial (The Wall) in Washington, D.C. in 1982. VVMF is dedicated to honoring and preserving the legacy of service in America and educating all generations about the impact of the Vietnam War and era through programs, ceremonies and education materials.

Three decades after building The Wall, the mission continues as VVMF raises funds to build the Education Center at The Wall. The Center will be

an interactive learning facility on the National Mall where our military heroes' stories and sacrifice will never be forgotten. The Education Center will feature the faces and stories of the more than 58,000 men and women on The Wall and honor America's Legacy of Service, including those serving in our nation's Armed Forces today. Time Warner is the Lead Gift Benefactor in the campaign to build the Education Center at The Wall. To learn more about VVMF and the future Education Center at The Wall, visit www.vvmf.org or call 202-393-0090.

"We listened to the needs and desires of all stakeholders in the local community as well as the calls for game changing education initiatives desired by parents from areas near and far," said Superintendent, Dr. Allan Mucerino. "As a result, we have created one-of-a-kind educational opportunities that can only be found here in our district."

At the District Showcase Day, attendees will get an overview of the resulting innovative solutions and exciting new initiatives that only DUSD is delivering that will mark education in the years to come. The event will begin with a Keynote Address by Superintendent Mucerino at 10:00 a.m. that includes must-see performances by DUSD/CSArts-SGV students followed by Open Houses taking place at every campus from 11:00 a.m.

"Creating an environment where students and teachers thrive is not only our commitment, but it is our responsibility," said Dr. Mucerino. "So many exciting things are happening in DUSD that it's important we showcase them for families at a time when they are considering educational options for their children for the 2018-19 school year."

Showcase Day will include information about DUSD's unparalleled partnership with the California School of the Arts-San Gabriel Valley, launched by the renowned Orange County School of the Arts, which offers a college preparatory experience in conjunction with

pre-professional arts conservatory training perfect for students with a passion for the arts and sciences in grades 7-12.

Also, featured will be DUSD's degree-bearing 4 Year Early College Program, the only one of its kind to be offered in the San Gabriel Valley, as well as City of Hope STEM partnership programs and more innovative initiatives that include Project Lead the Way, Artful Learning, Mindfulness, Dual Language Immersion, STEAM, International Baccalaureate, Advanced Placement, Career Pathways from welding to culinary arts, award winning Visual and Performing Arts at every school, and much more.
