PUBLIC NOTICE CITY OF GLENDORA PLANNING DEPARTMENT

NOTICE OF AVAILABILITY

Draft Environmental Impact Report (DEIR) for the Arrow Highway Specific Plan-SCH# 2017041043

The City of Glendora has prepared a DEIR that analyzes the potential environmental impacts associated with the adoption and long-term implementation of the Arrow Highway Specific Plan (Specific Plan) The Specific Plan is organized to address the requirements of California Government Code Sections 65450 through 65457. The DEIR includes an analysis of potential environmental impacts associated with implementation of the proposed Specific Plan. Program-level analysis was conducted for the Specific Plan as a whole to account for the broad, cumulative impacts that may occur due to the anticipated, collective redevelopment of the Planning Area. Programmatic analysis focused on the long-term subregional and regional changes that the Specific Plan implies and how those changes can be accommodated by areawide plans to minimize the impacts of land use decisions on the environment. The program-level analysis in the EIR is analogous with the cumulative impacts analysis

The City of Glendora is among the 88 cities that comprise Los Angeles County and is located in the eastern San Gabriel Valley approximately 22 miles northeast of downtown Los Angeles. Located at the southern edge of the City of Glendora, Arrow Highway functions as the jurisdictional boundary between Glendora on the north, and the unincorporated Los Angeles County community of Charter Oak and the City of Covina on the south. The planning area encompasses 106 acres with 158 parcels of varying land uses. A majority of land uses (40.9 acres) within the project area are commercial or retail uses. There are also many residential parcels that make up approximately 29.1 acres of the total project land area. Public/institutional uses and industrial uses make up approximately 20.6 acres and 13 acres of the total project land area, respectively. Other portions of the planning area are used exclusively for surface automobile parking. Minimal vacant space is located along the corridor. Interstate 210 (I-210) is situated about 0.65-miles north of Arrow Highway and has entrance/exit ramps at Grand Avenue and Sunflower Avenue, each providing access to Arrow Highway. Route 57 (SR-57) is located approximately 2.1 miles east of the proposed Planning Area. Interstate 10 (I-10) is located approximately 2.4 miles south of the proposed Planning Area.

The Specific Plan identifies the long-term vision and objectives for land use development and public improvement within the Planning Area. The Specific Plan will also establish site planning, building, ng, architectural, and open space standards and guidelines for development within the Planning Area. Like the base zoning in Title 21 of the Glendora Municipal code, the Specific Plan regulates residential and nonresidential zones by establishing maximum densities and floor area ratios (FAR) In the event of a conflict between the provisions of the Specific Plan and the provisions of Title 21. the provisions set forth in the Specific Plan shall govern. The Specific Plan sets development maximums and height limits for each land use zone and includes ten land use zones for the Arrow Highway corridor. Realistic Buildout of the proposed project would result in up to 648 additional dwelling units and an increase of roughly 647,810 square feet of non-residential floor space. The Planning Area does not contain any sites listed as a hazardous waste facility, hazardous waste property, or hazardous waste disposal site as enumerated under California Government Code 65962.5. Significant and unavoidable impacts have not been identified in regard to any of the CEQA Appendix G Checklist

The DEIR is available for public review and comment for forty-five (45) days commencing Thursday January 18, 2018 and ending Monday, March 5, 2018 at 5:00 pm. Any person wishing to comment or the DEIR may provide written comments to the City during the public review period, care of Jeff Kugel Planning Director, by Monday March 5, 2018. The DEIR is available at Glendora City Hall, Planning Department, 116 East Foothill Boulevard, and at the Glendora Public Library, 140 South Glendora Avenue, Glendora, California 91741. The DEIR is also available online at: http://www.cityofglendora.org. departments-services/planning/current-projects. At this time, no date has been set for a public hearing on the project. For further information on future public hearings please contact Jeff Kugel, Planning Director at jkugel@ci.glendora.ca.us or (626) 914-8215.
