Conditional Use Permit (CUP) 18-004, a request to operate a salon suites business, within a vacant, 5,171-square foot tenant space in a building of the Covina Town Square commercial center, at 1480 North Azusa Avenue, APN 8404-001-053.

Pursuant to and in accordance with the provisions of the California Environmental Quality Act (CEQA) Guidelines, the City has analyzed the proposed project and concluded that it will not have the potential for causing a significant effect on the environment. Therefore, it has been determined that the proposed project would be categorically exempt in accordance with Section 15301. Class 1 of the CEQA Guidelines. Staff's recommendation will be that the Planning Commission approve CUP 18-004 with conditions of approval.

Town Center Specific Plan Amendment (TCSP) 18-002, a request to amend Chapter V, 2. Section H.1.e Permitted Uses "Dwellings. Single family dwelling, two family dwellings, multiple dwellings, but only above the first floor in any building" by clarifying dwellings are to be permitted only above the first floor of any building located along Citrus Avenue between San Bernardino Road and Badillo Street, within the Town Center Specific Plan Retail and Service Core Focused Activity Area (TCSP-5).

Pursuant to the California Environmental Quality Act (CEQA), the City has analyzed the proposed change to the specific section of the Town Center Specific Plan and determined that the proposed change is exempt from the requirements of the California Environmental Quality Act ("CEQA") (Cal. Pub. Resources Code, § 21000 et seq.) and the CEQA Guidelines (Cal. Code Reg., tit. 14, § 1500 et seg.) pursuant to CEQA Guidelines Section 15061(b)(3) because it can be seen with certainty that there is no possibility that the proposed change to clarify dwellings are to be permitted only above the first floor of any building located along Citrus Avenue between San Bernardino Road and Badillo Street will have a significant effect on the environment. The proposed amendment to Town Center Specific Plan (TCSP) 18-002 is an administrative process of the City that will not result in a direct or indirect physical change in the environment, or a reasonably foreseeable indirect physical change in the environment. Staff's recommendation will be that the Planning Commission makes a recommendation of approval to the City Council.
