NOTICE OF PUBLIC HEARING PLANNING COMMISION

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Glendora will hold a public hearing pursuant to Title 20 and Title 21 of the Glendora Municipal Code to receive and consider all evidence and reports relating to the following application/project. The Planning Commission is an advisory body on this matter and will make a recommendation to the City Council.

Meeting Location: City Council Chambers, 116 E. Foothill Boulevard, Glendora, CA 91741 Date & Time: Tuesday, January 7, 2019 - 7:00 pm

Subject Property: 905 E. Arrow Highway, Glendora, CA 91740 Assessor's No: 8653-037-014

Application:

File No. PLN19-0009 Applicant/Owner: Garrett Whitfield / Shaw Investments Inc.

Project Description: Subdivision of 2.65 acres of land at the northeast corner of Arrow Highway and Sunflower Avenue in order to create two separate parcels: The western portion of the site (Lot 1) would include the existing brick building that is approved and currently under construction for remodel conversion into a food hall with brewery tap room ("Glendora Public Market"). The eastern portion of the site (Lot 2) is vacant and proposed for development with 16 detached, two-story residential condominium homes, along with supporting community infrastructure, landscaping, lighting, and common areas.

Request: The project involves the following discretionary approvals for consideration:

- Development Plan Review for the approval of the project's residential development plans.
- Minor Modification Permit to allow a setback reduction for the second story portions of the proposed homes to the rear property line of adjacent neighboring residential properties (35 feet required, and 29.75 feet requested).
- Tentative Tract Map No. 76051 to create a residential condominium subdivision that establishes exclusive private areas and common area, and defines ownerships that can be acquired and sold by future homeowners.

Notice is further given that in compliance with the California Environmental Quality Act (CEQA) an Environmental Impact Report (EIR) was prepared for the Arrow Highway Specific Plan (AHSP) [State Clearinghouse #2017041043] and adopted by the Glendora City Council on September 25, 2018. This EIR included the full analysis for future construction of up to 739 residential units at realistic buildout within Glendora's portion of the Arrow Highway corridor. The AHSP's EIR is applicable to all future residential development plans if they are in conformance with the specific plan, thus requiring no further environmental documentation. Therefore, if the subject proposal for 16 residential homes is approved with a determination that it follows the specific plan's intent than no further environmental review is necessary.
