CNBB061925EM FILE NO.2019019378 FICTITIOUS BUSINESS NAME STATEMENT The following person (s) is (are) doing business as: COAST INVESTMENT REALTY 1936 W. OLYMPIC BLVD LOS ANGELES, CA 90006 Full name of registrant (s) is (are) JOSE LUIS ALVARADO 8427 The Oakmont Senior Living/Memory Care Facility and the Park View Hotel would be constructed and operated on specific development sites in the City. Both sites are within the Village Oaks Office Park, CNBBOGH936AC which is a Planned Community Development in the southeastern corner of the City. The Oakmont Senior Living/Memory Care Facility would be developed on a 1.46-acre site situated at the southeast corner of East Holt Avenue and Park View Drive (Assessor Parcel Numbers 8848-019-044 and 8848-019-045). The Park View Hotel would be developed on a 2.55-acre site situated along Park View Drive, near its termination at Interstate 10 (Assessor Parcel Numbers 8448-019-052 and 8448-019-041).

**Project Description:** 

The Zoning Code Amendment, Oakmont Assisted Living/Memory Care Facility, and Park View Hotel Project (proposed project) would involve three components: (1) updates to the City of Covina Zoning Code to allow for medical offices and assisted living, memory care, and skilled nursing facilities within the Commercial, Administrative, and Professional Office Zone, to allow hotels to serve alcohol, to reduce parking requirements for hotels and to add definitions; (2) construction and operation of a senior living/memory care facility at the corner of Park View Drive and East Holt Avenue in the City of Covina (the "Oakmont Assisted Living/Memory Care Facility"); and (3) construction and operation of a hotel along Park View Drive in the City of Covina (the "Park View Hotel"), southeast of the proposed senior living/memory care facility site. The Oakmont Assisted Living/Memory Care Facility and Park View Hotel developments are located within the Village Oaks Office Park Planned Community Development Overlay District and would involve updates to the ordinances governing that district.

The Oakmont Assisted Living/Memory Care Facility would consist of a 90,734-square foot building that would be approximately 40 feet in height. The facility would have 62 assisted living units and 32 memory care units, for a total of 94 units. The total number of beds provided in the facility would be 103 beds (several units would have two beds). The facility would also have a variety of senior living amenities including garden areas, a reading room, dining rooms, a fitness center, etc. The facility would have a total of 47 parking stalls, accommodated in a single-story subterranean parking garage and in a small surface parking lot at the building's entrance.

The Park View Hotel would consist of an approximately 50,000-square foot hotel that would be approximately 50 feet in height. The hotel is proposed to have 120 rooms and associated amenities including a reception and lobby area, management offices, a fitness center and pool, a limited-use food and beverage area with a prep kitchen, and conference room area. The hotel would have a surface parking lot that would provide 120 parking stalls.

Mitigated Negative Declaration (MND):

In accordance with CEQA, the City of Covina has completed an Initial Study to determine whether the project may have a significant effect on the environment. The Initial Study concludes that the project will not have a significant effect on the environment, with the incorporation of mitigation measures. The City has therefore prepared a Mitigated Negative Declaration (MND). The Planning Commission considered the Initial Study/MND and adopted a resolution making a recommendation to approve the MND to the City Council. Pursuant to Section 15072 of the CEQA guidelines, the project site is not on any of the lists enumerated under Section 65962.5 of the Government Code.

The MND identifies that the proposed project would result in no impact or less than significant impacts in the following environmental impact categories: aesthetics, agricultural and forestry resources, air quality, geology and soils, greenhouse gas emissions, hazards and hazardous materials, hydrology and water quality, land use and planning, mineral resources, population and housing, public services, recreation, and utilities and service systems. With the incorporation of mitigation measures identified in the MND, the potentially significant impacts of the proposed project in the following categories would be reduced below a level of significance: biological resources, cultural resources, tribal cultural resources, noise, transportation and traffic. No significant and unmitigable impacts have been identified in the MND. The Notice of Intent to Adopt the MND was published in the San Gabriel Valley Tribune on August 30, 2018, and the MND was released for a 30-day public comment period beginning on August 30, 2018, and ending on October 1, 2018. Four (4) comment letters were received during the MND review period and Responses to Comments were mailed on November 1, 2018, 10 days prior to the Planning Commission considering the Project. The Final MND, which consists of the Draft MND, Comments on the Draft MND, and Response to Comments, has been completed in accordance with the requirements of the State CEQA Guidelines (14 Cal. Code Regs. Section 15000 et. seq). The Final MND is available at City Hall, City Clerk Office or the Community Development Department, Planning Division, located at 125 E. College Street, Covina, CA, 91723, or at www.covinaca.gov.

Planning Commission Recommendation: On November 13, 2018 and continued to January 22, 2019. the Planning Commission of the City of Covina conducted a duly noticed public hearing to consider the above described project. The Planning Commission concluded said hearing on January 22, 2019, and adopted Planning Commission Resolution No. 2018-029 PC, by a 5-0-0 vote, recommending that the City Council of the City of Covina: adopt the Mitigated Negative Declaration (MND) as adequately prepared in accordance with the California Environmental Quality Act (CEQA), the required findings and the Mitigation Monitoring and Reporting Program, adopt the Zoning Code Amendment (ZCA) 18-002; approved the Planned Community Development (PCD) 81-00, and approved the Conditional Use Permit (CUP) 18-001 and Site Plan Review (precise plans modification SPR) 18-001.

The City solicits any information and/or data that any citizen wishes to provide concerning these applications, and all interested citizens are invited to attend the public hearing. Any person may submit written comments to the Community Development Department, Planning Division, prior to or at the time of the hearing.
