NOTICE OF PUBLIC HEARING **GLENDORA CITY COUNCIL**

NOTICE IS HEREBY GIVEN that the Glendora City Council will hold a public hearing in the City Council Chambers of City Hall, 116 E. Foothill Boulevard, Glendora, California, on Tuesday, March 26, 2019 at 7:00 p.m. to receive and consider public input on needs and resources relative to the One-Year Action Plan for Fiscal Year 2019-2020 and substantial amendment to the FY 2015-2016, FY 2016-2017, FY 2017-2018, and FY 2018-2019 Action Plans.

PUBLIC HEARING MEETING LOCATION AND DATE

The City of Glendora is requesting public input on its Community Development Block Grant (CDBG) Program at 7:00 P.M., at its March 26, 2019 City Council meeting. The draft Annual Action Plan will be available on April 10, 2019 for a 30-day public review, ending May 10, 2019. A second public hearing will be held on May 14, 2019 to approve submittal of the Plan to the U.S. Department of Housing and Urban Development (HUD).

In compliance with the American with Disabilities Act, if you need special assistance to participate in the meeting, please contact the City of Glendora's City Clerk's Office at (626) 914-8210. Notification 48 hours prior to the March 26, 2019 City Council meeting will enable the City to make reasonable arrangements to ensure accessibility to the meeting.

BACKGROUND

Consolidated Plan: Every five years, the CDBG program requires that the City adopt a "Consolidated Plan," which establishes the goals and objectives of the City's CDBG program. During the development of this 2018-2023 Consolidated Plan, which forms the basis for establishing objectives and outcomes in the Strategic Plan and five (5) subsequent Annual Action Plans, the following priority needs and objectives were established:

- Infrastructure and Public Facilities: Improve and expand infrastructure and public facilities that benefit low- and moderate-income neighborhoods and residents.
- Economic and Human Development: Provide for the economic development needs of lowand moderate- income persons and neighborhood target areas.
- Fair Housing: Promote fair and equal housing choice for all persons.
- Administration and Planning: Provide for administration and planning activities to carry out actions that address identified needs in the Consolidated Plan.

These established Priority Needs form the basis for allocating investments geographically within the City during the next five-year period and are a result of various community outreach efforts and consultation meetings developed under the Citizen Participation process.

Only eligible activities that receive a High priority level in the FY 2018-2023 Consolidated Plan will be funded during the five year period.

Annual Action Plan: The Annual Action Plan is part of the Five-Year Consolidated Plan and serves as the City's application for funding from HUD. The City of Glendora will receive an allocation of approximately \$275,000 of CDBG funds for FY 2019-2020. As the Federal Budget has not been approved at this time and the City must meet certain statutory deadlines in submitting its annual Acton Plan and allowing for citizen participation, staff has developed this allocation amount based on last year's allocation. Once the official allocation for Glendora is released from HUD, staff will revise the budget proportionally and present the final figures at the May 14, 2019 meeting for the adoption of the Annual Action Plan.

In addition to the annual allocation, unspent funds are available from FY 2015-2016. FY 2016-2017. FY 2017-2018, and FY 2018-2019 Business Assistance Program in the amount of \$80,748 as follows:

FY 2015-2016	\$27,443
FY 2016-2017	\$3,305
FY 2017-2018	\$25,000
FY 2018-2019	\$25,000
Total	¢00 740

The City has diligently implemented the Business Assistance Program with community outreach and technical assistance. However, interest in the program has been limited due to the program and reporting requirements established in the CDBG regulations. Therefore, the City is proposing to amend these previous Action Plans to reallocate the unspent funds to new projects in FY 2019-2020. Combined with the anticipated allocation, an estimated total of \$355,748 will be available in FY 2019-2020.

The CDBG funding may be allocated to the following types of eligible projects:

- Acquisition: by purchase, long-term lease, and donation of real property for an eligible
- Disposition: of real property acquired under the CDBG Program.
- Construction and Rehabilitation: of certain publicly owned facilities, such as (a) senior citizen centers; (b) parks and playgrounds; (c) community centers; (d) fire protection facilities and equipment; (e) sidewalks and street improvements; (f) water and sewer systems.
- Rehabilitation of publicly and privately owned housing: for low-and moderate-income households.
- Public Services: which are new or expanding, and directed toward meeting employment, crime prevention, child care, drug abuse prevention, homeless assistance, or other community service needs.
- Removal of Architectural Barriers: that restricts the mobility and accessibility of elderly or handicapped persons to publicly owned and privately owned buildings, facilities, and improvements.
- Special Economic Development Activities: that provide grants, loan guarantees and other forms of necessary or appropriate support to private "for profit" businesses to provide increasing employment opportunities and other public benefit.

funding for Planning and Administration costs to not more than 20 percent of the annual grant allocation and limit public services to 15 percent of the annual grant allocation. The final allocations will be determined once HUD releases their budget.

While funding amounts are somewhat flexible, there are statutory limitations that restrict the amount of

Based on the limited amount of resources available to the City, statutory restrictions, and the Priority Needs established, staff recommendations for the FY 2019-2020 CDBG One-Year Annual Action Plan are as follows:
