The Town Center Specific Plan Update provides new development standards and incentives for high density/transit-oriented housing, and for the redevelopment/ rehabilitation of existing structures, particularly regarding underutilized buildings and properties. Streetscape featuring pedestrian and bicycle enhancements will link the Metrolink station to Covina's historic shopping district, the local hospital/medical area, and the envisioned "maker district" known as the F.A.I.R. (Food, Arts, Industrial, Residential) District. These will further the vision of the Town Center

The Town Center Specific Plan Update establishes a new boundary for the Plan Area, adding both sides of the residential Center Street, and expanding the northeastern boundary to include the Metrolink adjacent to Kelby Park and the vacant Vita Pakt site. Based on growth projections provided by the Southern California Association of Governments (SCAG), the proposed components of the Town Center Specific Plan Update, and an analysis of existing underutilized sites that may be redeveloped, a development capacity has been forecast through a projected horizon year of 2040 (shown in Table 1, Project Year 2040 Land Use). The City estimates that the Specific Plan update will support total gross property development of approximately 2.35 million square feet of retail, office, industrial, and public facility building space and 746 dwelling units through the year 2040. The Specific Plan update would therefore support a total net increase of approximately 448,800 square feet of non-residential uses, 259 additional new dwelling units, and 745 more residents over existing conditions.

Implementation of the Project would result in potentially significant impacts related to the following environmental topics, which could be reduced to a less-than-significant level with the identified mitigation measures: biological resources; cultural resources; noise/vibration; and tribal cultural resources. Significant unavoidable impacts were identified for air quality and greenhouse gases. The Notice of Availability of the Draft EIR was published in the San Gabriel Valley Tribune on August 1, 2018, and the Draft EIR was released for a 45-day public comment period beginning on August 19, 2019, and ending on October 2, 2019. The City has received three comment letters in response to the DEIR and has prepared written responses to all comments timely received on the DEIR, which were distributed to all public agencies that submitted comments on the DEIR at least 10 days prior to the Planning Commission's consideration of the Project. The Final EIR, and the written responses to comments also were made available for public review on the City's web site and at the City's offices. NOTICE OF PETITION TO ADMINISTER ESTATE OF IRENE TSUHWA CHEN **CASE NO. 19STPB10066** 

**ESTATE OF: IRENE TSUHWA CHEN, DECEDENT** 

To all heirs, beneficiaries, creditors, and contingent creditors and persons who may be otherwise interested in the will or estate, or both, of IRENE TSUHWA CHEN a.k.a. IRENE TSU-HWA CHEN. A PETITION FOR PROBATE has been filed by OSCAR TONG CHEN in the Superior Court of California,

County of LOS ANGELES. The Petition for Probate requests that OSCAR TONG CHEN be appointed as personal representative to administer the estate of the decedent.

The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or have consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority. A hearing on the petition will be held in this court as follows: NOVEMBER 27, 2019 at 8:30 AM in Dept. 79 at the SUPERIOR COURT OF CALIFORNIA, COUNTY OF LOS ANGELES, 111 NORTH HILL STREET,

LOS ANGELES, CA 90012, CENTRAL DISTRICT - STANLEY MOSK COURTHOUSE. IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your

attornev. IF YOU ARE A CREDITOR or a CONTINGENT CREDITOR OF THE DECEDENT, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code.

Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

You may examine the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of the estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.
