California State Board of Equalization Re-elects Antonio Vazquez to Serve as Chair for 2021, Mike Schaefer to **Continue to Serve as Vice Chair**

SACRAMENTO - At the December 16, 2020 Board Meeting, the California State Board of Equalization (BOE) re-elected Antonio Vazquez to serve as Chairman and Mike Schaefer to serve as Vice Chair. Their new terms begin on January 1, 2021 for the duration of one year.

"I am honored and grateful to be elected to serve as Chairman for a second year to help lead the BOE as we continue to address the challenges from the COVID-19 pandemic," said Chairman Vazquez. "I look forward to building upon the work and accomplishments of 2020 and working closely with my fellow Board Members, County Assessors, stakeholders, and taxpayers to solve the important issues before the BOE."

"I am honored to be chosen by my fellow Board Members to continue my service as Vice Chair of the California State Board of Equalization," said Vice Chair Schaefer. "As Vice Chair, I am committed to advocating for California's taxpayers, and to ensure that the implementation of Proposition 19 works for seniors, families, the severely disabled, and victims of wildfires."

Chairman Vazquez was elected to the BOE in November 2018, representing the Third Equalization District, which includes most of Los Angeles County, all of Ventura County, and a portion of San Bernardino County. He is the first Latino ever elected to the BOE since its inception and has over 20 years of business and government experience, including serving as Mayor of the City of Santa Mon-

Vice Chair Schaefer was also elected to the BOE in November 2018, representing the Fourth Equalization District, which includes the counties of San Diego, Orange, Riverside, Imperial, and a portion of San Bernardino. He is the oldest freshman constitutional officer in state

history and at the age of 27, was the youngest person ever elected to the San Diego City Coun-

The California State Board of Equalization (BOE) is the only elected tax board in the country, and it is comprised of four Equalization District Members and the State Controller, Since 1879, the BOE's constitutional and statutory duties include the oversight of the 58 County Assessors' assessment practices to ensure statewide uniformity and consistency. In addition, the BOE directly assesses the property of regulated railroads and certain public utilities, collects the private railroad car tax, and is responsible for the Alcoholic Beverage Tax and Tax on Insurers. BOE's critical role in property tax administration by promoting fair and equitable assessments protects the tax dollars that schools, local communities, and the State of California depend on every day.

Covina Man Gets Long Prison Sentence for Cyberstalking

By George Ogden

COVINA - A Covina man pleaded guilty to federal cyberstalking charges for his multiyear internet harassment campaign against two teenage girls who rejected his sexual ad-

Carl De Vera Bennington, 34, pleaded guilty via videoconference to two counts of cyberstalking.

According to his plea agreement, Bennington repeatedly sent one victim unsolicited online messages over a period of several years. When she blocked him from contacting her from one of her online accounts, Bennington created new online accounts and then continued sending her messages, including graphic messages between June and November 2019 in which he insulted the victim, demanded she engage in sex acts with him, and threatened to sexually assault her. When the victim demanded that Bennington stop harassing her, he threatened to kill her and her family.

Bennington also admitted to harassing another victim, who deactivated her social media accounts in 2017 after he solicited her to engage in a sexual relationship with him. In August 2019, after she reactivated her social media accounts, Bennington sent her numerous online messages threatening to kill her unless she responded to his demands for

Neither victim ever met Bennington in person, according to an affidavit filed with a criminal complaint in this case. According to the complaint, Bennington frequently promoted incel (involuntarily celibate) ideology, which involves individuals who are unable to find a willing sex partner and promotes the view that women oppress men and have too much freedom to choose their own sexual partners. The ideology ranges in tone from expressing sadness and selfloathing to advocating the "absolute hatred" of women, according to court documents.

United States District Judge Dolly M. Gee has scheduled an April 14, 2021 sentencing hearing, at which time Bennington will face a statutory maximum

sentence of 10 years in federal prison. However, prosecutors will recommend a prison sentence of no more than 21 months if the defendant follows all conditions of his supervised release, court papers show.

The FBI's Joint Terrorism Task Force investigated this matter. Assistant United States Attorney David T. Ryan of the Terrorism and Export Crimes Section is prosecuting this case.

Crash on 210 Freeway in Glendora Kills Two

Crash scene on the 210 freeway where 2 men lost their lives.

By George Ogden

GLENDORA - The CHP responded to a crash on the eastbound lanes of the 210 freeway at the Sunflower exit in Glendora where two people were killed. One person may have been possibly ejected in the multi-vehicle crash early Thursday morning.

The crash was reported about 12:15 a.m., west of the 57 Freeway, according to the California Highway Patrol.

Details on what led up to the crash were not immediately available.

The two fatalities were two men. One 50-year-old man in a 2003 Lexus GS300 was killed and the second man who died was a 20-year-old who was driving a 1998 Toyota Camry. Their names

were withheld pending notification of their relatives.

One person was injured and taken to a hospital with injuries that were not life threatening.

The six-vehicle chain-reaction crash is still under investigation; however, it appears that there may have been an earlier collision on the freeway and other vehicles came along and slammed into the accident scene. It is possible that the suspected driver that may have been ejected may have been actually standing outside in the roadway and was hit. The CHP is still piecing this together.

All 210 Freeway lanes reopened just before 6:30 a.m. after backing up the early morning
