URGENCY ORDINANCE 2055

AN URGENCY ORDINANCE OF THE CITY COUNCIL OF THE CITY OF GLENDORA, CALIFORNIA, Amending THE ZONING CODE (TITLE 21) of the Municipal Code TO REGULATE THE ADVERTISING AND OPERATION OF SHORT-TERM RENTALS WITHIN THE CITY OF GLENDORA AND SETTING GUEST CONDUCT STANDARDS THEREFOR: DECLARATION OF THE URGENCY FOR THIS ORDINANCE

WHEREAS, The City of Glendora has adopted a General Plan, including strategies to invigorate the City's prosperous community as well as its well-planned and designed community.

WHEREAS, Protection of public health, safety and welfare is fully articulated in the General Plan.

WHEREAS, State law requires the City's zoning laws, found in Title 21 of the GMC, conform with the General Plan's goals and WHEREAS, In December of 2019, an outbreak of respiratory illness due to a novel coronavirus (a disease now known as

COVID-19) was first identified in Wuhan City, Hubei Province, China. WHEREAS, Since then, COVID-19 has and continues to spread globally. On March 3, 2020, Governor Newson declared the existence of a state of emergency for the State of California; and on March 11, 2020, the Director-General for the World Health Organization declared that COVID-19 can be characterized as a "pandemic." On March 13, 2020, the President of the United States

declared that the outbreak of COVID-19 in the United States constitutes a national emergency. WHEREAS, On March 18, 2020, the Glendora Director of Emergency Services ("Director") (i.e., the City Manager, pursuant to

Glendora Municipal Code ("GMC") § 11.12.020.A) proclaimed a declaration of the existence of a local emergency within the City due to the threat posed to the City from COVID-19, pursuant to Government Code § 8630 and Chapter 11.12 of the GMC. On March 24, 2020, the City Council affirmed the existence of a local emergency, and confirmed and ratified the proclamation by the Director of the existence of a local emergency in response to COVID-19.

WHEREAS, Since the City's declaration of emergency, California experienced an initial period of flattening of the pandemical curve, but subsequently infections have risen dramatically. As of the middle of August 2020, the United States has over 5 million confirmed cases with approximately 50,000 to 60,000 new cases daily, and over 170,000 people have died.

WHEREAS. At this time California has passed the 763,000 cases mark, with over 14,600 deaths in the State due to COVID-19. Based on the contagiousness of the disease, some states have instituted quarantines and even check-points to reduce the

WHEREAS, The GMC, including the Glendora Zoning Code (Title 21), does not currently regulate or provide an entitlement process specifically for short-term rental uses. While travel and vacationing has decreased compared to previous years, the use of short-term vacation rentals are still in use and have intensified. Social media has increased exponentially the popularity and demand for short-term rentals, and the local neighborhood impacts thereof.

WHEREAS, Recently, short-term rentals have become a substantial threat to the public health, safety and welfare of the City's residents, and particularly residential neighborhoods—this is true even in the absence of the COVID-19 pandemic. It is well documented in the media and various law enforcement complaints that events hosted at short-term rentals have attracted massive crowds, loud parties, littering, over-parked street conditions, openly disorderly conduct and unsafe vehicle use that have led to multiple arrests and complaints to law enforcement.

WHEREAS. Government Code Sections 36934 and 36937 expressly authorize the City Council to enact urgency ordinances, which take effect immediately upon introduction, for the immediate preservation of the public peace, health, or safety, containing a declaration of the facts constituting the urgency, and which must be passed by a four-fifths (4/5) vote of the City Council.

WHEREAS, On August 27, 2020, the City Council held a special meeting to consider the aforementioned facts and concerns and possible approaches to The Council voted unanimously to temporarily prohibit the advertising, use and operation of shortterm rentals pursuant to a 45-day moratorium while the City undertakes a review of its current GMC provisions in order to determine whether additional regulations are needed to ensure the public health, safety, and welfare remain protected.

WHEREAS, Since the August 27 Council meeting, staff and the City Attorney's Office have studied the GMC and reviewed other cities' regulations to address concerns with STRs. This analysis of various STR regulations in other jurisdictions indicates there are several permitting approaches that cities commonly employ to address STRs and their impacts on residential neighborhoods. Existing regulations range from prohibitions in certain zoning districts, capping the total number of STRs city-wide, requiring STR permits, or merely requiring a business license.

WHEREAS. Based on City staff's analysis, it is recommended that the GMC and Zoning Code be updated to facilitate better City oversight and monitoring of short-term rental operations by requiring: (i) a permit system specific to short-term rentals, (ii) all shortterm rentals obtain a business license, (iii) all short-term rentals pay transient occupancy taxes ("TOT") pursuant to GMC Chapter 5.20, (iv) agreement to, and compliance with, operational standards and a "Good Neighbor Policy" to minimize the potential for nuisance conditions, including crowded and unruly gatherings, noise violations, overparking, and other threats to the local citizens' quiet enjoyment of their neighborhood, and (v) the enhancement and clarification of City enforcement authority against nuisance conditions attributable to short-term rentals. By not prohibiting short-term rentals outright, but rather imposing City oversight and operational standards, this approach balances the interests of allowing the continued operation of responsible short-term rentals with the need for City oversight and prevention of irresponsible operations posing unsafe and/or nuisance conditions, and enforcement mechanisms therefor.

WHEREAS, Based on the foregoing, it is urgent the City adopt regulations into the GMC in order to minimize (i) the short- and long-term adverse impacts short-term rentals may have on surrounding residential properties and the City's limited law enforcement resources, and (ii) dense social gatherings that pose an immediate threat of COVID-19 transmission, and as a result, the City desires to establish, on an urgency basis, an ordinance to add new GMC Section 21.03.140 establishing a permitting and regulatory program for short-term rentals.

WHEREAS, The recommended action constitutes a wholly regulatory action, and not a project, such that it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF GLENDORA, CALIFORNIA, DOES HEREBY ORDAINAS FOLLOWS:

Section 1. The above recitals are all true and correct and are hereby adopted as findings.

Section 2. This urgency ordinance is necessary for the immediate preservation of the public peace, health, and safety of residents and businesses in the City, as it will facilitate better City oversight and monitoring of short-term rental operations that pose (i) shortand long-term adverse impacts on surrounding residential properties and the City's limited law enforcement resources, and (ii) the immediate threat of increased COVID-19 transmission through dense social gatherings that are non-compliant with Staterecognized measures for minimizing disease exposure

Section 3. The City Council hereby amends Section 21.01.020(C) of the Glendora Municipal Code to add a new definition for "Bedroom" (into the existing alphabetical order) and reading, in its entirety, as follows (new text, if any, in **bold & italics**; deleted text,

For purposes of this definition, a "hosting platform" is a company that participates in the short-term rental business by collecting or receiving a fee, directly or indirectly through an agent or intermediary, for conducting a booking transaction using any medium of facilitation.

Section 5. The City Council hereby amends Section 21.01.020(C) of the Glendora Municipal Code to add a new definition for "STR Host" (into the existing alphabetical order) and reading, in its entirety, as follows (new text, if any, in bold & italics; deleted text, if any, in strikethrough)

"STR Host" means the owner or his/her authorized agent, of a short-term rental, who is responsible for its operation. The property owner is always deemed to be a host for purposes of this ordinance; however, in conjunction with the property owner, a tenant, mortgagee in possession, a management

company, or any combination thereof may also qualify as hosts for short-term rental purposes. Section 6. The City Council hereby amends Section 21.01.020(C) of the Glendora Municipal Code to add a new definition for "Short-term rental" (into the existing alphabetical order) and reading, in its entirety, as follows (new text, if any, in bold & italics; deleted text, if any, in strikethrough

"Short-term rental" encompasses such dwelling units regardless of whether the owner, permanent occupant or other STR host is present on-site during the rental period. For purposes of this definition only, "for compensation" includes, but is not limited to, rental of the short-term rental for any form of monetary or non-monetary consideration, including but not limited to money, goods, or services, as well as inkind exchanges of goods, services, or premises. "Short-term rental" does not include any commercial use for which a business license or other permit pursuant to Title 5 of this code has been issued prior to the effective date of Section 21.03.140 of this code.

Section 7. The City Council hereby amends Chapter 21.03 of the Glendora Municipal Code to add a new Section 21.03.140 reading, in its entirety, as follows (new text, if any, in bold & italics; deleted text, if any, in strikethrough):

- Findings and purpose. The city council finds that the city has seen a substantial increase in the number of dwelling units, whether they be single-family residences, multiple-family residences, guest houses, accessory dwelling units, or junior accessory dwelling units, being used as short-term rentals. With the rise in the number of short--term rentals, the city has received complaints from citizens and neighborhood groups over the adverse impacts caused by this transient use on adjacent properties. The purpose of this ordinance is to balance the city's desire to promote economic development and tourism with the $city's \ legitimate \ need \ to \ mitigate \ the \ adverse \ impacts \ often \ associated \ with \ short-term \ rentals, including$ excessive noise, overcrowding, disruptive and unruly parties, the accumulation of refuse, reduction of street parking vehicular violations and disruptions to safe traffic flow. The regulations contained herein are intended to minimize the adverse impacts short-term rentals have on surrounding properties. The city also seeks to ensure that the city is collecting transient occupancy taxes as required by Title of the Glendora Municipal Code.
- Short-term rental permit and business license required. Any and all potential STR hosts for a short-B. term rental shall obtain a short-term rental permit from the city, as well as a current and valid City business license pursuant to Title 5 of the code, before (i) issuing any STR advertisement for the availability of a short-term rental for occupancy, or (ii) renting, operating or allowing the operation of a short-term rental in the city.
- C. Transient occupancy tax compliance. Short-term rentals qualify as "hotels" for purposes of city transient occupancy taxes pursuant to Chapter 5.20, Title 5, ("Transient Occupancy Tax") and transient occupancy taxes shall be collected on short-term rentals in accordance with Chapter 5.20. Failure to comply with city transient occupancy tax provisions may result in revocation of a short-term rental permit. D.
 - Application for short-term rental permit. Short-term rentals may only be operated pursuant to a current and valid short-term rental permit from the City of Glendora, as well as a current and valid city business license, in accordance with all the requirements of this ordinance. The permit application shall be submitted by the owner or an STR host. Even if the application is submitted by an STR host, the owner shall be jointly responsible with the STR host(s) for complying with this chapter, all other laws applicable to the short-term rental, and neither owner nor any STR host shall cause or permit any violation of this ordinance. To "cause or permit" includes failure to correct or cause correction after receiving notice from the city of the violation.
 - Application form. The application for a short-term rental permit shall include the following information on a form provided by the city:
 - The name, address, and telephone number of the owner of, and any other STR host for, the short-term rental address, including local emergency contact information for all STR hosts. If the application is submitted by a STR host, such application must also be signed by the property owner.
 - The name, address and telephone number of all authorized representatives for all b. STR hosts, including twenty-four (24) hour local emergency contact information. The address and a description of the proposed short-term rental premises. The c. description shall include number of rooms, maximum guest occupancy, amenities,
 - and available parking for quests. The number of bedrooms in the short-term rental. d.

 - Information on any short-term rental permits that have been suspended or revoked by the STR host anywhere in the State of California, or as to the property, within the previous two years, and the reasons therefor.
 - If the STR host has been asked or been compelled to no longer advertise with a g. STR hosting platform within the previous two years, and the reasons therefor.
 - Acknowledgement of receipt and executed agreement to comply with the city's "Short-Term Rental Good Neighbor Policy" requirements.

 Term. Permits shall be valid from the date of issuance for as long as the applicant holds a
 - valid business license for short-term rental operation, unless revoked or otherwise terminated. Fees. The application for a short-term rental permit shall be accompanied by a non-refundable application fee established by resolution of the city council. The application fee shall not exceed the city's estimated reasonable cost of administering the provisions of this Section 21.03.140.
 - Application review process; determination.

In addition to the operational standards set forth in Subsection H hereinbelow, the community development director or his/her designee shall have the authority to impose additional conditions on the use of any short-term rental unit in order to mitigate potential secondary effects unique to the subject property.
- Permit non-transferrable. The short-term rental permit shall not be assignable. Following a change in ownership, a new short-term rental permit shall be required before any STR host (i) issues any STR advertisement for the availability of the short-term rental for occupancy, or (ii) rents, operates or allows the operation of the short-term rental. Short-term rental permits are unique to the specific property and specific STR host(s) identified in the current application; a short-term rental permit shall not be valid for any successor owner or STR host.
