BACKGROUND

Consolidated Plan: Every five years, the CDBG program requires that the City adopt a "Consolidated Plan," which establishes the goals and objectives of the City's CDBG program. During the development of this 2018-2023 Consolidated Plan, which forms the basis for establishing objectives and outcomes in the Strategic Plan and five (5) subsequent Annual Action Plans, the following priority needs and objectives were established:

- Infrastructure and Public Facilities: Improve and expand infrastructure and public facilities 1. that benefit low- and moderate-income neighborhoods and residents.
- 2. Economic and Human Development: Provide for the economic development needs of lowand moderate- income persons and neighborhood target areas.
- Fair Housing: Promote fair and equal housing choice for all persons
- 4. Administration and Planning: Provide for administration and planning activities to carry out actions that address identified needs in the Consolidated Plan.

These established Priority Needs form the basis for allocating investments geographically within the City during the next five-year period and are a result of various community outreach efforts and consultation meetings developed under the Citizen Participation process.

Only eligible activities that receive a High priority level in the FY 2018-2023 Consolidated Plan will be funded during the five year period.

Annual Action Plan: The Annual Action Plan is part of the Five-Year Consolidated Plan and serves as the City's application for funding from HUD. The City of Glendora will receive an allocation of \$310,175 of CDBG funds for FY 2021-2022, as stated in the notice from HUD dated February 25, 2021.

In addition to the annual allocation, unspent funds are available from FY 2019-2020 in the amount of \$189,323. These unspent funds will be allocated to projects in FY 2021-2022. Combined with the anticipated allocation, a total of \$499,498 will be available in FY 2021-2022. Should there be any amendments to the dollar amount of funding available, staff will revise the budget either increasing or decreasing funding appropriated to the infrastructure improvements
