CITY OF COVINA NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

NOTICE IS HEREBY GIVEN that the City of Covina is considering a recommendation that the Project herein identified will have no significant environmental impact in compliance with Section 15070 of State of California Environmental Quality Act (CEQA) guidelines. A copy of the MITIGATED NEGATIVE DECLARATION and the INITIAL STUDY which supports the proposed findings are on file at the City of Covina

DATE OF NOTICE: June 24, 2021

PROJECT TITLE: Wingate Park Regional EWMP Project

PROJECT APPLICANT: City of Covina

PROJECT LOCATION: Regionally, the Project is located in the City of Covina within the San Gabriel Valley of Los Angeles County. The surrounding jurisdictions include Duarte, Azusa, and Glendora to the north, San Dimas to the east, West Covina to the south, and Irwindale and Baldwin Park to the west and pockets of Los Angeles County Unincorporated Areas adjacent and within city limits. Locally, the Project site is located within the eastern portion of Wingate Park (formerly Kahler Russell Park), located at 734 North Glendora Avenue in the northeast portion of Covina. Wingate Park consists of Assessor's Parcel Numbers 8428-015-902 and 8428-023-901. The eastern portion of Wingate Park is located west of the intersection of North Glendora Avenue and East Colver Place. The western portion of Wingate Park is located east of North Grand Avenue. Specifically, the Project is comprised of a 1.65-acre underground infiltration gallery in the location of Wingate Park's existing eastern parking lot along North Glendora Avenue and a grass playing field adjacent to the parking lot and associated underground facilities and infrastructure located south of the parking lot (Project Site).

The Project Site is located within Wingate Park, a City owned 17-acre regional park developed in 1986. Recreational amenities and features of Wingate Park include one regulation-size lighted roller hockey rink, basketball courts, one tennis court, one paddle ball court, grass playing fields designated for football, soccer, and baseball, two playground areas designated for children aged 5 through 12, a natural trail with two bridges, walkways, picnic tables, restroom facilities and storage area, a composting area, and two parking lots located along North Glendora Avenue and North Grand Avenue. Wingate Park provides facilities for Kare Youth League (year round), American Youth Soccer Organization (A.Y.S.O.). and various community youth sports groups. These facilities are comprised of an office and grass playing fields for football, soccer, and baseball. Wingate Park is located adjacent to the natural Charter Oak Creek, a soft bottom channel, along the southern property line.

PROJECT DESCRIPTION: The Project will capture, treat, and infiltrate an average of approximately 658 AF of urban runoff and stormwater from various land uses within the cities of Covina (35 percent). Glendora (20 percent) and San Dimas (11 percent), as well as the surrounding unincorporated areas of Los Angeles County (34 percent). Capture, treatment, and infiltration of runoff and stormwater allows this water to contribute to groundwater recharge and replenishment to local aquifers that are used as sources of water to offset water transported from more distant resources. The Project will divert runoff from Charter Oak Wash, just downstream of the 69-inch reinforced concrete pipe and 6-foot by 6-foot (6'x 6') double reinforced concrete box storm drain confluence, into a 36-inch diameter pipe from the storm drain to a pretreatment device to remove pollutants, sediment, and trash debris, with flow entering an underground infiltration gallery via gravity. The proposed diversion structure will be located within the channel to capture runoff conveyed by the existing drainage system. Once stormwater fills the chamber, flows will continue as they do under existing conditions down the Charter Oak Wash located on the southern portion of Wingate Park during a storm. The analysis within the Draft Initial Study/Mitigated Negative Declaration makes the assumption that the Project would be designed and constructed to allow the necessary amount of dry-weather runoff to bypass the proposed diversion structure to be located within the channel in order to sustain the existing level of habitat and vegetation located within and along Charter Oak Creek. Overall, the Project design will be based on the site configuration, priority pollutants, and infiltration rate. Sizing will be optimized to improve water quality within the available space

CEQA DETERMINATION: In accordance with CEQA, the City of Covina has completed an Initial Study to determine whether the Project may have a significant effect on the environment. The Initial Study, which reflects the independent judgment of the City, concludes that the Project will not have a significant effect on the environment. The City has therefore prepared a Mitigated Negative Declaration, to be considered by the Planning Commission and City Council. Pursuant to Section 15072 of the State CEQA Guidelines. the Project Site is not on any of the lists enumerated under Section 65962.5 of the Government Code.

PUBLIC REVIEW: The public review and comment period for the Initial Study/Mitigated Negative Declaration is from June 24, 2021, to July 23, 2021 (comment letters must be received by 5:00 pm on July 23, 2021). The Mitigated Negative Declaration and Initial Study will be available for public review at the City of Covina Planning Division - 125 E. College Street, Covina, California 91723 and at https:// www.covinaca.gov/publicworks/wingate-ceqa.

BALLOT SUMMARY

The measure seeks to adopt an ordinance to repeal all prior ordinances and rescind all prior resolutions adopted by the West Covina City Council regarding discontinuing public health services with the County of Los Angeles and establishing a City-administered local public health department, including Resolutions Nos. 2021-15 and 2021-34, Urgency Ordinance No. 2476, and Ordinances Nos. 2478, 2479 and 2484.

On February 23, 2021, the City Council adopted Resolution No. 2021-15 and Urgency Ordinance No. 2476, which terminated the Los Angeles County Health Officer's services provided pursuant to Health and Safety Code section 101375. The manner of the termination was required by statute. The termination is effective July 1, 2021.

On April 6, 2021, the City Council adopted Ordinance No. 2478 to amend Section 2-236 of the West Covina Municipal Code ("WCMC") to add the Public Health Director as an exempt position. Ordinance No. 2478 went into effect on May 7, 2021

On April 6, 2021, the City Council also adopted Ordinance No. 2479 to repeal and replace existing provisions of Article II of Chapter 13 of the WCMC to adopt by reference provisions of the Los Angeles County Code relating to public health. The ordinance will amend the WCMC effective July 1, 2021.

On May 18, 2021, the City Council adopted Ordinance No. 2484 to repeal and replace existing provisions of Article I of Chapter 13 of the WCMC to establish a public health department within the City, the functions of the City Health Officer, the functions of the department, and the powers and duties of the Health Officer. The ordinance will amend the WCMC effective July 1, 2021.

On May 4, 2021, the City Council adopted Resolution No. 2021-34 to establish the fee schedule for services provided by the West Covina Health Department. The fees to be charged are the same as those charged by the County. The fee schedule goes into effect July 1, 2021.
